

**VA**

U.S. Department of Veterans Affairs

Central Texas Veterans Health Care System

## **VA Care in the Community (VACC)** *Veterans Access, Choice and Accountability Act* *(Choice Act)*

- The Choice program was designed to provide improved access and meet the health care needs of our Nation's Veterans.
- Effective October 1, 2015 Choice eligibility expanded which removed the August 1, 2014 registration date. All registered Veterans are eligible.
- Effective November 1, 2015 all community care programs will be consolidated into one program – VA Care in the Community.
- November 2015, VHA collaborating closely with TriWest partners to streamline administrative processes to improve the Veteran experience.
